Three Mizuni Partners Named Finalists in SIF Excellence Awards

Addison, TX (April 1, 2010) – Mizuni, Inc. congratulates three of its district partners for being named Finalists of the SIF Excellence Awards. The 2010 SIF Excellence Awards recognize outstanding SIF Implementation at the state and local levels and promote the strength of the SIF Specification as a whole. Mizuni partners Pasadena Independent School District (ISD) and Mount Pleasant ISD were chosen as Finalists in the Outstanding Local Education Agency category, while Joe Kitchens, Superintendent at Western Heights Public Schools, was selected as a Finalist in the category for Outstanding Individual Leadership.

The SIF Excellence Awards honor those organizations in which individuals and teams have done an exceptional job implementing a SIF Solution and managing the accompanying organizational change necessary to bring a new interoperability solution to fruition. The SIF Implementation Specification is a set of industry-developed and supported technical blueprints that enable PK-20 software to work seamlessly together as a single, efficient system.

Mizuni's three partners honored as SIF Excellence Awards Finalists are:

- Outstanding Local Education Agency:
 - Mount Pleasant ISD – (Mount Pleasant, Texas)
 - Pasadena ISD – (Pasadena, Texas)
- Outstanding Individual Leadership:
 - Mr. Joe Kitchens, Superintendent at Western Heights Public Schools – (Oklahoma City, Oklahoma)

All three of these districts have implemented the full Mizuni District Solution consisting of the Mizuni SIF Agents, the Mizuni Zone Integration Server, the Mizuni Data Warehouse, and the Mizuni Dashboard Suite to integrate, centralize and deliver accurate data for informed decision-making. "We are thrilled to be a strategic partner with these districts to produce a successful SIF Solution. These Finalists are evidence of the power of technology to support teaching and learning," states Mr. Ignacio Ybarra, President, Mizuni, Inc.
